

# Make Your Year-End Gift Today to the Ambler Theater

## Your year-end gift sustains the Ambler and its many programs.

The good news is that the community-based Ambler Theater is doing well. Attendance is very near to pre-pandemic levels. However, ticket sales and concession purchases cover only part of what it costs to run your nonprofit theater.

Your year-end gift goes directly to the theater's mission to provide special events, community outreach, and high-quality film presentation. And this year's gifts will bring critical attention to the digital projectors and maintaining the historic building.

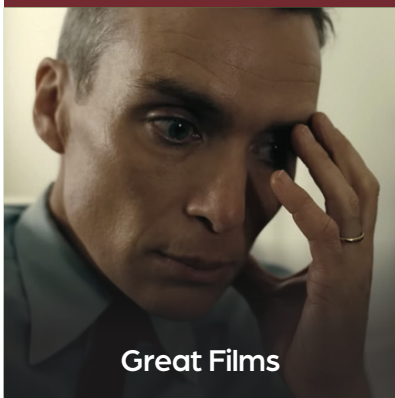

## Our aging digital projection equipment needs upgrading!

We installed digital projection in 2012. That means the projection and sound equipment is almost 12 years old and overdue for replacement. Some of the equipment is no longer in service. If they fail, we cannot show movies.

These upgrades need to be made to maintain the Ambler Theater's impeccable film presentation. Your gift will help make that happen.

## Your support = great films, unique programs, and more!

Great Films

Guest Speakers

Special Events

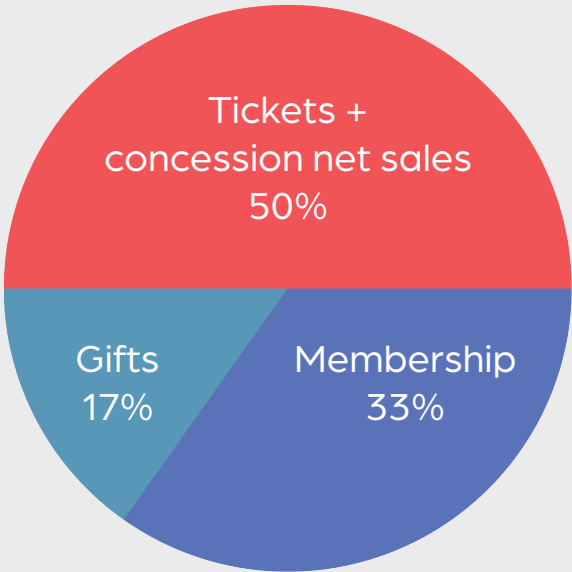

Community Anchor

# The goal: \$100,000 by December 31

Make a gift to ensure the future of the Ambler Theater

Use the enclosed envelope or make a gift online  
**AmblerTheater.org/donate**

Only 50% of net income comes from ticket & concession sales.

For the **other 50%**, we need your support!

## The impact of your contributions.

You are essential to the health and operations of the Ambler Theater, and to the wonderful programs on offer. Thank you for your support. The theater would not have survived the pandemic without you.

Your gifts have a lasting impact on the community:

- They ensure a walkable, world-class cinema as an anchor to downtown Ambler.
- They maintain the historic 1928 theater.
- They keep film history alive through special screenings and educational programs.

"I love the diversity of offerings. I am never disappointed with a film I see. Keep up the excellent work."  
-Michelle

"Having walkable access to the Ambler Theater was a huge benefit to moving to town."  
-Evan

"Through family matinees and 35mm screenings, Ambler Theater has changed the movie watching and filmmaking experience."  
-Ambler resident
