Main Attractions

What main films will play at the Ambler? This section lists the Main Attractions that we intend to play. This list is only an educated guess, though, since film release plans often change. (Additional unlisted films will also become available.)

Scheduling our Main Attractions is week-to-week. On Monday, we decide what main films will play starting that Friday. On Tuesday and Wednesday, we set the showtimes for the upcoming week and then update our website and telephone hotline. We also send out a weekly email (which you can receive by signing up at our website). Sometimes, we book a main film a few weeks in advance, which we post on our website’s “Coming Attractions” section.

For our latest Main Attractions plans, visit: AmblerTheater.org (Or call our hotline at 215 345 7855.)

If Beale Street Could Talk
USA - Barry Jenkins - 1 hr 57 min
Director Barry Jenkins’ follow-up to the 2016 Best Picture Winner Moonlight. Set in 1970’s Harlem, this poetic adaptation of James Baldwin’s last novel is about a young couple who are planning their life together when one of them is wrongly accused of a crime. Jenkins’ gorgeous cinematic technique mirrors the thoughtful prose of Baldwin’s text. Featuring wonderful performances from KiKi Layne and Stephan James.

Cold War
Poland - Pawel Pawlikowski
1 hr 28 min - w/ subtitles
COLD WAR is a beautiful black-and-white film from Pawel Pawlikowski, the director of 2016’s Academy Award-winning Ida. This film hits all of the notes of classic European art house film.

Mary Queen of Scots
UK - Josie Rourke - 2 hrs 5 min
Saoirse Ronan stars as Mary Stuart in this elegant and fascinating period piece set in the 16th century. After becoming the Queen of France at 16 and widowed at 18, Mary returns to her native Scotland and is embroiled in the politics of religion and the contentious claims to the throne of England. ---

**At Eternity’s Gate**  
UK - Julian Schnabel - 1 hr 50 min  
Willem Dafoe takes on the role of Vincent Van Gogh in his final years. Director Schnabel is also an artist and brings an imaginative eye to Van Gogh’s work and illness by experimenting with cinematography and narrative storytelling. ---

**On the Basis of Sex**  
USA - Mimi Leder - 2 hr  
The story of young lawyer Ruth Bader Ginsburg as she brings a groundbreaking case before the U.S. Court of Appeals and overturns a history of gender discrimination. Felicity Jones stars as Ginsburg and Armie Hammer plays her husband. Also with Kathy Bates, Justin Theroux, and Sam Waterston.

When the wedding is interrupted by unexpected events, Laura’s past secrets and family troubles are brought to the surface. A brilliant mystery from celebrated Iranian screenwriter and director Asghar Farhadi. Also starring Javier Bardem.
The Upside
USA - Neil Burger - 1 hr 58 min
THE UPSIDE is a life-affirming film about making connections in unlikely places. Bryan Cranston plays a wealthy quadriplegic who hires an unlikely young man, played by Philadelphia native Kevin Hart, as his personal assistant. Despite being from different worlds, the two find a common bond and a new exuberance. Also with Nicole Kidman.

The Favourite
UK - Yorgos Lanthimos - 2 hr
A hilarious look at 18th century royalty from celebrated Greek director Yorgos Lanthimos. Olivia Colman plays the frail and mercurial Queen Anne of England, whose friend Lady Sarah governs on her behalf. A new servant, Abigail, arrives and soon maneuvers to gain royal influence. This wild, irreverent film also features Emma Stone and Rachel Weisz.

Shoplifters
Japan - Hirokazu Koreeda - 2 hr 1 min w/ subtitles
Japanese filmmaker Hirokazu Koreeda won the Palme d’Or at this year’s Cannes Film Festival for this wonderful, understated drama. SHOPLIFTERS follows a group of misfit petty criminals, young and old, who form a family unit and share a small apartment. Despite the family’s troubles, Koreeda finds moments of humor in this poignant and affecting film.

Stan & Ollie
UK - Jon S. Baird - 1 hr 37 min
Steve Coogan and John C. Reilly star as comedy icons Stan Laurel and Oliver Hardy in this charming period piece. After several disappointing film releases, the duo embarks on a grueling theater tour of post-war Britain to win back their audience. Reilly and Coogan have undeniable chemistry and bring to life the unseen side of these comedic legends.

He wakes up the next morning to find that it’s Groundhog Day all over again, as it will be the next day, and the next, and the next. 35MM Fest
April 13th & 14th 2018

2018 saw the kickoff of our first 35MM Film Festival. Thanks to a grant from the Vesta Fund, we were able to re-install our Kinoton reel-to-reel projectors and establish an annual festival dedicated to watching films on film. Over two days in April, we screened 35MM prints of Hollywood and arthouse classics, hosted special guests, and shared the history of projection with our community. We look forward to expanding the program in years to come.

Breaking the Celluloid Ceiling

To honor the legacy of legendary Hollywood actor and groundbreaking director Ida Lupino, we spent 2018 highlighting the roles women play in film and behind the camera. We have adopted the “F-Rating” designation to identify and promote films written and directed by women. Our goal going forward is to promote equity in the films we choose and to celebrate movies from a more diverse group of filmmakers.

49 Films by Female Filmmakers
Women accounted for 26% of the films shown at the theater and 35% of our main run films. That is up 5% from last year.

Summer Member Drive Exceeds Goal

This summer we held our first ever membership drive and it was a great success! Our goal was to bring in 200 first-time Ambler members. After campaigning online, on screen, and in person at the theater, we surpassed that goal with 326 first-time members.

Dear Friends of the Ambler Theater,

Thank you for your support in preserving our historic 1928 cinema. This past year, your contributions funded much-needed repairs to our 90-year-old theater. Vital upgrades to our roof and walls allowed us to continue screening great films for you.

Thank you for supporting our expanded programming. As part of our 90th anniversary celebration, we heralded the return of 35mm film projection with our first ever 35mm Film Festival. Your support also allowed us to develop innovative programs like our year-long “Breaking the Celluloid Ceiling” Series, celebrating the important work of women in film, and our “Film 101” Series, which has been hosted by more than a dozen guest speakers.

Please consider making a tax-deductible donation to the Ambler Theater’s 2018 Annual Appeal. Your support will keep our cultural landmark a comfortable and welcoming venue for the entire community.

Make your tax-deductible gift today in one of two ways: (1) by mail, using the form below, or (2) online at AmblerTheater.org/donate.

THANK YOU.

Retirement comes sooner than anyone expects—and often before many people have the chance to prepare. In order to live in retirement—the way you want to live—you have to plan. The sooner you begin, the greater opportunity you will have to accumulate the wealth you will need to live a long and comfortable life.
