Main Attractions
What main films will play at the Ambler? This section lists the Main Attractions that we intend to play. This list is only an educated guess, though, since film release plans often change. (Additional unlisted films will also become available.)

Scheduling our Main Attractions is week-to-week. On Monday, we decide what main films will play starting that Friday. On Tuesday and Wednesday, we set the showtimes for the upcoming week and then update our website and telephone hotline. We also send out a weekly email (which you can receive by signing up at our website). Sometimes, we book a main film a few weeks in advance, which we post on our website’s “Coming Attractions” section.

For our latest Main Attractions plans, visit: AmblerTheater.org (Or call our hotline at 215 345 7855.)

Marriage Story
USA - 2 hr 16 min - Noah Baumbach
Scarlett Johansson and Adam Driver deliver career-high performances in this intimate portrait of a relationship falling apart. Two young parents, an actress and a theater director, deal with separation, child custody, and making new lives for themselves. The film is funny, moving, and beautifully composed by director Noah Baumbach. Also starring Laura Dern, Ray Liotta, Wallace Shawn, and Alan Alda.

Little Women
USA - 2 hr 15 min - Greta Gerwig
Lady Bird director Greta Gerwig returns with an adaptation of Louisa May Alcott’s beloved novel LITTLE WOMEN. Set in the mid-19th century, the story chronicles the lives of four sisters in their journey from childhood to adulthood. Gerwig brings her own distinctive take to this classic. With an all-star cast, including Saoirse Ronan, Emma Watson, Florence Pugh, Timothée Chalamet, Laura Dern, and Meryl Streep.

A Hidden Life
Germany - 2 hr 53 min - Terrence Malick
The legendary arthouse filmmaker Terrence Malick delivers a poetic, moving meditation on morality and faith. Set during World War II, an Austrian conscientious objector risks losing his quiet farming life by refusing to join the Nazi party. A visually masterful work that is a high achievement in the director’s career and a complete return to form.
MAIN ATTRACTIONS

Clemency
USA - 1 hr 53 min - Chinonye Chukwu
Alfre Woodard delivers a powerhouse performance as a death-row prison warden in this searing drama. CLEMENCY is a penetrating character study that explores a woman facing a difficult challenge as she strives to balance her job and morality. Director (and Temple University alumna) Chinonye Chukwu’s impeccably crafted second feature took top honors at Sundance.

A Beautiful Day in the Neighborhood

The Song of Names
Canada - 1 hr 53 min - François Girard
THE SONG OF NAMES is an epic spanning two continents and a half century. Two boys are brought together on the eve of WWII and become inseparable. After the war, one mysteriously vanishes. Thirty-five years later, the other sets out on an obsessive intercontinental search to find his long lost “brother.” The film is artfully made by The Red Violin director François Girard and features Tim Roth and Clive Owen.

Portrait of a Lady on Fire
France - 1 hr 59 min - Céline Sciamma - w/ subtitles
PORTRAIT is an arresting gorgeous film set along the rocky shores of Brittany in the late 18th century. A female portrait artist falls in love with the subject of her latest commission, a countess’ daughter who will soon be sent Away to be married. It’s a quiet, elegant film with sensitive and nuanced performances. Winner of Best Screenplay at the 2019 Cannes Film Festival.
Les Misérables  
France - 1 hr 42 min - Ladj Ly  
w/ subtitles  
France’s submission to the 2020 Academy Awards is a riveting social drama based on the 2005 riots in the suburbs of Paris. The story follows Stéphane who joins the Anti-Crime Brigade of Montfermeil, and soon discovers the underlying tensions between the various neighborhood groups. LES MISÉRABLES is an energetic, tense piece of filmmaking with an explosive final act.

Knives Out  
USA - 2 hr 10 min - Rian Johnson  
KNIVES OUT is a fast-paced and amusing update on an Agatha Christie-style murder mystery. Following the death of a wealthy patriarch, an eccentric detective interviews members of an aberrant and dysfunctional family who are all hiding secrets. Featuring a huge all-star cast with Christopher Plummer, Jamie Lee Curtis, Toni Collette, Daniel Craig, Chris Evans, LaKeith Stanfield, Don Johnson, Michael Shannon, and Ana de Armas.

Seberg  
USA - 1 hr 36 min - Benedict Andrews  
Kristen Stewart stars in this film inspired by events in the life of American actress Jean Seberg. In the late 1960s, Seberg grew disillusioned with acting and became attracted to activist politics. Her political and romantic involvement with civil rights activist Hakim Jamal made her the direct target of an aggressive FBI. Also with Anthony Mackie.

A Beautiful Day in the Neighborhood  
USA - 1 hr 48 min - Marielle Heller  
Tom Hanks is perfect playing children’s TV personality Mr. Rogers in this thoughtful, touching drama. A cynical journalist is tasked with profiling Fred Rogers and is determined to uncover a dark side. While confronting his own family issues, the reporter builds a relationship with Mr. Rogers and discovers some insights that he did not expect. A wonderful crowd-pleaser in the best possible sense.

A Letter from the Executive Director

There are two moments that stand out over this past year as representative of what the Ambler Theater does best.

The first was at the Hollywood Awards Party. There was a festive crowd dressed to the nines, standing for pictures, chatting, and discussing the movies that would be honored. This, in a microcosm, is the essence of the theater: the community coming together to celebrate art, entertainment, and our town.

The second was during the award presentation at our second annual 35mm Film Festival. Awardee George Willeman, the Nitrate Vault Manager at the Library of Congress, presented a remarkable presentation on early Edison Kinetoscopes. Then Brett Miller performed a live organ score to a new 35mm restoration of the 1928 flapper comedy *Bare Knees*. This was another perfect moment of synthesis, where education and celebration of cinematic history met the present, and everyone in attendance was utterly enraptured.

The Ambler Theater is more than just an old building where we show movies. You make it the lifeblood of our town. A place where we see friends, enjoy big screen art and entertainment, and enjoy the timeless magic of the movies.

Thank you for making the Ambler Theater a true community.

Chris Collier
Executive Director
Special Guests

This year we hosted a total of 24 events with guest speakers. We were thrilled to welcome experts from the film community such as documentarian Jonathan Olshevski and film critic Carry Rickie to offer a closer look at filmmaking in our Film 101 series.

Pictured above: Tim Galvin, Production Designer of Green Book in conversation with our Programming Director, Michael Kamison.

New Frontiers

A year-long series marking the 50th anniversary of the Apollo 11 moon landing that featured classics like The Day the Earth Stood Still and The Right Stuff.

This eclectic program offered a look at the cinematic impact of this historic event, and celebrated the achievements of innovators and leaders who helped push the limits of science, film, and society.

35mm Film Festival

This year saw the second installment of our annual, 35mm film festival. Festivities included a pop-up projection museum, demonstrations of antique projectors, and screenings of rare prints of classic films like Sunset Boulevard, Gold Diggers of 1933 and The Umbrellas of Cherbourg.

Pictured above: George Willeman, Nitrate Film Vault Manager at the Library of Congress, and this year’s recipient of the Ambler Cinematic Arts Award alongside Executive Director Chris Collier.
Thank you.

Your continued support makes it possible for us to share quality programming, and helps preserves a cultural landmark. To our 8,371 Members, our Donors, and the Ambler community, thank you for your generosity.

Dear Friends of the Ambler Theater,

Thank you for your support of Ambler’s historic hometown theater. We are only able to preserve the majestic 1928 building and offer diverse programming at the nonprofit Ambler Theater with support from you and the local community.

Your patronage and support allowed the Ambler to host 200+ films and events in the last year. There was more 35mm film presented in 2019. Our newest program, Retrograde, engaged new, younger audiences. Together, we celebrated the 50th Anniversary of the Moon Landing with the year-long New Frontiers series. And we continued our core series: Hollywood Summer Nights, International Cinema, and Film 101.

Ticket and concession sales make up only 63% of the Ambler Theater’s income. Your support is essential. Your assistance enables the independent Ambler to continue to present a theater experience and variety of programming that is not available at a multiplex.

Please consider making a tax-deductible donation to the Ambler Theater’s 2019 Annual Appeal. Your support will keep our cultural landmark a comfortable and welcoming venue for the entire community.

Make your tax-deductible gift today in one of two ways: (1) by mail, using the form below, or (2) online at AmblerTheater.org/donate.

THANK YOU.

Retirement comes sooner than anyone expects—and often before many people have the chance to prepare. In order to live in retirement—the way you want to live—you have to plan. The sooner you begin, the greater opportunity you will have to accumulate the wealth you will need to live a long and comfortable life.
