Main Attractions

What main films will play at the Ambler? This section lists the Main Attractions that we intend to play in the coming weeks. Additional unlisted films will also become available. This list is only an educated guess, though, since film release plans often change.

When will these main films play?
Scheduling our Main Attractions is week-to-week. On Monday, we decide what main films will play starting that Friday. On Tuesday and Wednesday, we set the showtimes for the upcoming week and then update our website and telephone hotline. We also send out a weekly email (which you can receive by signing up at our website). Sometimes, we book a main film a few weeks in advance, which we post on our website’s “Coming Attractions” section.

For our latest Main Attractions plans, visit: AmblerTheater.org (Or call our hotline at 215 345 7855.)

Philomena
UK – Stephen Frears – 1 hr 35 min
A moving and often funny film about a woman looking for the son she was forced to give up at birth. After fifty years of searching, Philomena solicits the help of a cynical journalist in her quest. Judi Dench gives a compassionate performance as the long-suffering, but ever-optimistic mom and Steve Coogan complements her in his inimitable dry manner. Stephen Frears (The Queen) directed.

The Invisible Woman
UK – Ralph Fiennes – 1 hr 51 min
Period biographical dramas don’t come much better than THE INVISIBLE WOMAN, an involving portrayal of the relationship Charles Dickens maintained with a much younger woman at the end of his life. The movie is beautiful in its camerawork and production design, and extremely British in its emotional restraint. Ralph Fiennes directs and stars opposite Felicity Jones.

Inside Llewyn Davis
USA – Joel and Ethan Coen – 1 hr 45 min
The latest from the Coen Brothers, INSIDE LLEWYN DAVIS follows a young folk singer as he navigates the Greenwich Village folk scene of 1961. Guitar in hand, huddled against the New York winter, he struggles to make it against mounting obstacles. Beautifully made, this new Coens’ movie ranks with their best in its balance of biting satirical humor and deep melancholy. Starring Oscar Isaac and Carey Mulligan.
MAIN ATTRACTIONS

**Limited Engagements**

We try to play each of our Main Attractions films for a full multi-week run. Sometimes, however, we are unable to play a film in a timely or complete way, and it becomes a question of either squeezing it in or not playing it at all. We then often schedule that film for a couple of mid-week screenings, called Limited Engagements. Make sure that you sign up for our weekly email blast, so that you don’t miss these short, last-chance screenings.

---

**August: Osage County**

**USA - John Wells - 1 hr 59 min**

AUGUST: OSAGE COUNTY tells the dark, funny, touching story of the strong-willed women of the Weston family and their dysfunctional mother. A tragedy brings them back to their Oklahoma house and they fill it with talking, laughing, cursing, crying and plenty of acting. And this A-list cast makes it work. Just sit back and watch the fireworks with Meryl Streep, Julia Roberts, Ewan McGregor, Chris Cooper, Abigail Breslin, Benedict Cumberbatch, Juliette Lewis, and Sam Shepard.

---

**The Lunchbox**

**India - Ritesh Batra - 1 hr 44 min in English & Hindi w/subtitles**

In Mumbai, India, a misdelivered lunchbox brings together two very different people — a neglected housewife and a solitary widower on the verge of retirement. This beautiful film effortlessly weaves themes of gender, class, and generational differences into a simple love story. Whether it's cooking a meal, reading a letter, or riding a crowded train, the film's small moments are precise and completely enchanting.

---

**Nebraska**

**USA - Alexander Payne - 1 hr 55 min b&w**

NEBRASKA is Alexander Payne's new film, the latest since his critically acclaimed The Descendants. The film follows an aging father, played by Bruce Dern, who makes the long trip from Montana to Nebraska to "collect his lottery winnings," while accompanied by his estranged son. A wistful ode to small-town Midwestern life, this black & white, prairie-set odyssey fits right into Alexander Payne's canon of films.

---

**The Past**

**France - Asghar Farhadi - 2 hr 10 min w/subtitles**

Iranian Asghar Farhadi's French-language, Paris-set follow-up to his celebrated A Separation is superb. Here an Iranian man reunites with his estranged French wife in Paris to finalize their divorce. This is soon complicated by secrets, lies and revelations as their cluttered pasts muddy the way forward. This is masterful filmmaking.

---

**Labor Day**

**USA - Jason Reitman - 1 hr 51 min**

A single mother shelters an escaped convict and slowly falls for him over the course of one eventful weekend in writer/director Jason Reitman's adaptation of Joyce Maynard’s novel. Every new Reitman film (Juno, Up in the Air, Young Adult) is full of surprises. LABOR DAY is an intriguing new step in a different direction, having a lyrical quality that is perhaps reminiscent of Terrence Malick. Starring Kate Winslet and Josh Brolin.
ENCORE: The Habit of Art
2 hr (with no intermission)
An encore broadcast of Alan Bennett's acclaimed play starring Richard Griffiths, Alex Jennings and Frances de la Tour. An imagined meeting between composer Benjamin Britten and poet W H Auden. It looks at the unsettling desires of two difficult men, and at the ethics of biography. It reflects on growing old, on creativity and inspiration, and on persisting when all passion’s spent: ultimately, on the habit of art. Originally broadcast in 2010.

Coriolanus
3 hr (including two intermissions)
Donmar Warehouse’s production of CORIOLANUS, Shakespeare’s searing tragedy of political manipulation and revenge. When an old adversary threatens Rome, the city calls once more on her hero and defender: Coriolanus. But he has enemies at home too. Famine threatens the city, the citizens’ hunger swells to an appetite for change, and on returning from the field Coriolanus must confront the march of realpolitik and the voice of an angry people. With Tom Hiddleston and Mark Gatiss. Directed by Josie Rourke.

War Horse
3 hr (including two intermissions)
For the first time, the original landmark London production of WAR HORSE will be broadcast live in stunning HD. This hugely inventive production that features breathtaking life-sized horse puppets and has been described as “the theatrical event of the decade.” At the outbreak of World War I, Billy Narracott’s beloved horse Joey is sold to the Cavalry. So begins an incredible journey from the idyllic fields of Devon to the hellish trenches of France. Skillfully adapted for the stage by Nick Stafford from Michael Morpurgo’s bestselling novel.

FAMILY FILMS  On Saturday mornings throughout the school year we will be showing children’s favorites, both classics and new. These events allow you to share a big screen experience with your children, however, these films are not simply just the screenings. We aim to make these events fun and exciting experiences as well. We encourage your children (and you) to dress up in costume, and we will have special events, sometimes with guests, in theme with each of the films.

FAMILY STAGES  Throughout the year the unique and delightful world of Family Stages perform LIVE on our stage! These spirited productions emphasize the dynamic, joyful relationship of actor, script and audience. Dear Friends of the Ambler Theater,

The Ambler Theater reopened its doors TEN YEARS AGO as a home for art films and as a resource for the Ambler community. Since then, we have presented great programming to over 145,000 people annually.

THANK YOU to all our members and donors for being a part of our shared success and growth. The theater’s achievements are the direct result of your active participation and support. Most recently, your gifts guaranteed the installation of our Digital Cinema projectors in 2012.

PLEASE CONSIDER MAKING AN END-OF-YEAR GIFT. Your gift will help defray the many expenses of maintaining our beautiful 85-year-old theater. We have a number of planned projects, including repairing the entrance atrium, refurbishing our bathrooms, and upgrading our hearing & visual assist equipment.

Let today be the day that dreaming about retirement becomes Planning For Retirement.

Retirement comes sooner than anyone expects—and often before many people have the chance to prepare. In order to live in retirement—the way you want to live—you have to plan. The sooner you begin, the greater opportunity you will have to accumulate the wealth you will need to live a long and comfortable life.
