Main Attractions

What main films will play at the Ambler? This section lists the Main Attractions that we intend to play. This list is only an educated guess, though, since film release plans often change. (Additional unlisted films will also become available.)

Scheduling our Main Attractions is week-to-week. On Monday, we decide what main films will play starting that Friday. On Tuesday and Wednesday, we set the showtimes for the upcoming week and then update our website and telephone hotline. We also send out a weekly email (which you can receive by signing up at our website). Sometimes, we book a main film a few weeks in advance, which we post on our website’s “Coming Attractions” section.

Hollywood Classics

The stars of Hollywood’s Golden Age return to the silver screen every week this summer. We’ve got a little bit of everything: comedy, romance, action, suspense, and family-friendly favorites. Whether you are enjoying these classics for the first or thirtieth time, seeing them on the big screen with an engaged audience is the perfect way to spend a summer evening.

Reduced admission for young patrons. Most of these Hollywood Classics are good for any age audience - and each film of the entire Classics series is only $3 for patrons 18 years old or younger. Also, if you dress “in the theme” of the movie - you get a free popcorn.

Plus some edgier choices. Not all of the films in this series are classics from the Golden Age. Some are edgier. They were not made for the entire family. But they definitely were made to be seen on the big screen. Are they new classics in the making? You be the judge. (We have included ratings, where available, in the credits.)
