Main Attractions
What main films will play at the Ambler? This section lists the Main Attractions that we intend to play. This list is only an educated guess, though, since film release plans often change. (Additional unlisted films will also become available.)

Scheduling our Main Attractions is week-to-week. On Monday, we decide what main films will play starting that Friday. On Tuesday and Wednesday, we set the showtimes for the upcoming week and then update our website and telephone hotline. We also send out a weekly email (which you can receive by signing up at our website). Sometimes, we book a main film a few weeks in advance, which we post on our website’s “Coming Attractions” section.

Let today be the day that dreaming about retirement becomes planning for retirement.

Retirement comes sooner than anyone expects—and often before many people have the chance to prepare. In order to live in retirement—the way you want to live—you have to plan. The sooner you begin, the greater opportunity you will have to accumulate the wealth you will need to live a long and comfortable life.
SUSPENSE WELCOME.
