Main Attractions

What main films will play at the Ambler? This section lists the Main Attractions that we intend to play. This list is only an educated guess, though, since film release plans often change. (Additional unlisted films will also become available.)

Scheduling our Main Attractions is week-to-week. On Monday, we decide what main films will play starting that Friday. On Tuesday and Wednesday, we set the showtimes for the upcoming week and then update our website and telephone hotline. We also send out a weekly email (which you can receive by signing up at our website). Sometimes, we book a main film a few weeks in advance, which we post on our website’s “Coming Attractions” section.

For our latest Main Attractions plans, visit: AmblerTheater.org (Or call our hotline at 215 345 7855.)

w/ subtitles
This German comedy has taken the art film world by storm. A young woman lives a busy corporate life and doesn’t have time for family. Her father then invades her business life by donning a disguise and creating an eccentric character who pretends to be a business investor. Blending laugh-out-loud absurdity and earnest, awkward compassion, TONI ERDMANN is an audacious cinematic ride.

Dear Friends of the Ambler Theater,

We love preserving our classic 1928 theater. Some of our past projects have been exciting, like adding the new neon marquee tower and converting to digital projection equipment. Other work can’t even be seen by the public, but is just as important.

The replacement of an aging roof isn’t glitzy, but it is necessary. Last year, we were able to repair half of the theater’s compromised roof. Our goal this year is to raise the money to repair the other half of that roof!

Please consider making a tax-deductible Gift to help care for our lovely theater. Your support allows us to continue to keep this cultural treasure safe and sound. It helps us provide a comfortable and welcoming venue for the entire community.

Make your tax-deductible Gift today in one of two ways: (1) by mail, using the form below, or (2) online at AmblerTheater.org/donate.

THANK YOU.

Retirement comes sooner than anyone expects—and often before many people have the chance to prepare. In order to live in retirement—the way you want to live—you have to plan. The sooner you begin, the greater opportunity you will have to accumulate the wealth you will need to live a long and comfortable life.
